Re: Disclosure Statement – 83 Ill. Adm. Code Part 421

Dear Ms. Rolando:

Keystone Energy Resources, LLC has been certified as an Alternative Retail Electric Supplier by the Illinois Commerce Commission. Pursuant to 83 Ill. Adm. Code Part 421, Keystone Energy Resources, LLC is required, to the maximum extent practicable, on at least a quarterly basis to provide the Commission with an **Environmental Disclosure Statement**. Please be advised that Keystone Energy Resources, LLC has not engaged in the sale or delivery of power and energy since its certification on the 29th day of June, 2006. Thus, it has not supplied electricity in Illinois and, therefore, cannot provide a breakdown of the sources of electricity supplied in Illinois at this time for either period ending June 30, 2015.

Keystone Energy Resources, LLC will provide the required information when it does supply electricity in Illinois.

Very truly yours,
