Re: Illinois Commerce Commission Docket No. 10-0467
Commonwealth Edison Company, ILL. CC. No. 10
Proposed General Increase in Electric Service Rates

Dear Ms. Rolando:

On January 3, 2011, Commonwealth Edison Company ("ComEd") filed with the Illinois Commerce Commission ("Commission") surrebuttal testimony, including ComEd Ex. 55.0 and ComEd Ex. 56.0.

ComEd Ex. 55.0 contains a phrase that should be deleted. In the "List of Issues & Major Conclusions" section on page i, within the fourth bullet point, beginning "Various other adjustments to rate base . . .", the paragraph references "proposed changes to the tax treatment of repairs." That entire phrase, beginning "proposed" and ending "repairs" should be deleted.

ComEd Ex. 56.0 contains an inadvertent error in the "Table of Contents" section. Before the page number assigned to "V. Uncollectible Factor", a program message reads "Error! Bookmark not defined." That entire message should be deleted.

A copy of this letter and enclosures are also being sent to Mr. Gene Beyer (Bureau Chief, Bureau of Public Utilities), Mr. Harry L. Stoller (Director, Energy Division), and Ms. Joy Nicdao-Cuyugan (Director, Financial Analysis Division) of the Commission's Staff.

Sincerely,

John P. Ratnaswamy
