SUPPLEMENT TO COMPLAINTANT'S RESPONSE
TO RESPONDENT'S MOTION TO DISMISS

NOW COMES the Complainant, JAMAL SHEHADEH pro se, and for his Supplement to his Response to Respondent's Motion to Dismiss does state as follows:

1.) The Coles County Circuit Court matter between the parties to this action, which was referenced in Complainant's Response to Respondent's Motion to Dismiss, was dismissed on March 20, 2012 and refiled as a consumer fraud complaint on April 5, 2012, a copy of which is attatched hereto;

2.) Said consumer fraud complaint was not available at the time Complainant filed his Response to Respondent's Motion to Dismiss;

3.) Complainant no longer seeks reparations in the Coles County matter, which was one of the points argued by respondent in support of its Motion to Dismiss;

4.) It is essential that the Commission be made fully aware of the happenings in the Coles County matter as they pertain to this case and the Commission cannot be made fully aware without viewing all relevant pleadings.

WHEREFORE, in light of Complainant's agreement ot Respondent's request for an extension of time to file its reply and the fact that the docketing of this supplement will not require a seperate reply from the Respondent, Complainant requests that this Supplement and the Consumer Fraud Complaint attatched hereto as an exhibit be made part of the record in this matter.
