AFFIDAVIT OF PEGGY MILLS

1. My name is Peggy Mills. I am a member of Stop the Power Lines Coalition ("Coalition"), in this matter.

2. I have personal knowledge of the facts set forth in the Stop The Power Coalition Alternative Route Proposals. If called to testify in this proceeding, I could and would testify competently based on personal knowledge that the facts set forth are true and correct.

3. As of December 31, 2012, the Coalition still had members joining, and lacked the expertise necessary to design alternatives and was forced to rely exclusively on volunteer help which simply was not available.

4. The Coalition has now proposed two alternative routes.

FURTHER AFFIANT SAYETH NOT.
