Petition for a Certificate of Public Convenience and Necessity, pursuant to Section 8-406.1 of the Illinois Public Utilities Act, and an Order pursuant to Section 8-503 of the Public Utilities Act, to Construct, Operate and Maintain a New High Voltage Electric Service Line and Related Facilities in the Counties of Adams, Brown, Cass, Champaign, Christian, Clark, Coles, Edgar, Fulton, Macon, Montgomery, Morgan, Moultrie, Pike, Sangamon, Schuyler, Scott, and Shelby, Illinois.	}	Case No.: 12-0598

LIST OF PROPERTY OWNERS

NOW COMES the Morgan, Sangamon, and Scott Counties Land Preservation Group (hereinafter referred to as "MSSCLPG"), by and through its attorneys, Edward D. McNamara, Jr. and Joseph H. O'Brien of McNamara & Evans, and for its List of Property Owners, states as follows:

1. This list is being furnished pursuant to the Notice of Administrative Law Judges' Ruling issued herein on October 2, 2013.

2. MSSCLPG advocates selection of a routing option which follows the existing 138 kV line for the segment of the route between Meredosia and Pawnee, Illinois. Such routing option was initially presented herein as an alternate route by the Morgan and Sangamon County Landowners and Tenant Farmers ("MSCLTF") on December 31, 2012 and by supplemental identification of January 3, 2013.

3. MSSCLPG would submit that it is at a disadvantage in preparing the requested list of property owners in that the routing option it advocates is an option that was identified herein by another party (MSCLTF). That said, MSSCLPG has done its level best to

prepare what it believes to be a current, thorough, and accurate list.

4. MSSCLPG would submit that it believes ATXI would have very current and accurate information as to the property owners residing along the existing 138 kV line as such line is operated and maintained by ATXI. With that in mind, MSSCLPG submitted data requests to ATXI seeking such information. Responses to those data requests are now past due.

5. Attached hereto as Exhibit A is a list of property owners along the routing option between Meredosia and Pawnee, Illinois, which follows the existing 138 kV line. Such routing option has been referred to customarily herein as the MSCLTF Route.

Respectfully Submitted,
Morgan, Sangamon, and Scott Counties
Land Preservation Group,
By and through its attorneys,

Edward D. McNamara, Jr.
Joseph H. O'Brien
