COMMISSIONER KIMBREL: We are.

CHAIRWOMAN ZALEWSKI: Thank you.

Under the Open Meetings Act, I call the February 18, 2020, Regular Opening Meeting to order. Commissioners Bocanegra, Carrigan, and Oliva are with me in Springfield, and Commissioner Kimbrel is in Chicago. We have a quorum.

We have no requests to speak; so we will move on to our Transportation Agenda.

There are no edits to the January 21, 2020, Transportation Special Opening Meeting Minutes.

Are there any objections to approving the Minutes?

(No response.)

CHAIRWOMAN ZALEWSKI: Hearing none, the Minutes are approved.

Item RR-1 concerns the City of Chenoa's Petition to install a bicycle and pedestrian crossing over a rail track. The City recently filed a Motion to Voluntarily Dismiss the matter. The
City determines the efforts -- determined the efforts to establish the path to be too costly. The Order grants the City's Motion to Dismiss and cancels the project.

Are there any objections to approving the Order?

(No response.)

CHAIRWOMAN ZALEWSKI: Hearing none, the Order is approved.

Items RR-2 through RR-4 concern Stipulated Agreements regarding various public safety improvement projects at railway crossings. The Orders authorize the construction or extend project completion dates and approve project costs apportionment.

Are there any objections to considering these items together and approving the Orders?

(No response.)

CHAIRWOMAN ZALEWSKI: Hearing none, the Orders are approved.

Under our Motor Carrier items, Item MC-1 and MC-2 concern Applications for Commercial Relocation Towing License Renewals. The Orders grant the renewals, finding that the applicants meet
the requirements.

Are there any objections to considering these items together and approving the Orders?

(No response.)

CHAIRWOMAN ZALEWSKI: Hearing none, the Orders are approved.

Items MC-3 and MC-4 concern Stipulated Agreements concerning alleged violations of the Illinois Commercial Transportation Law and the Personal Property Storage Act. The Orders accept the Stipulated Agreements.

Are there any objections to considering these items together and approving the Orders?

(No response.)

CHAIRWOMAN ZALEWSKI: Hearing none, the Orders are approved.

This concludes our Transportation Agenda.

(The above matter adjourned.)
