

ILLINOIS COMMERCE COMMISSION
Public Notice of Successful Bidders and Average Prices

Illinois Power Agency
October 2015 Procurement of
Renewable Energy Credits Derived from
Distributed Renewable Energy Generation Devices

October 14, 2015

On October 8, 2015, the Illinois Power Agency's procurement administrator, NERA Economic Consulting, received bids for the sale of renewable energy credits derived from distributed renewable energy generation devices ("DG RECs") to Ameren Illinois Company ("Ameren") and Commonwealth Edison Company ("ComEd"), through a bidding process conducted pursuant to the procurement plan approved by the Illinois Commerce Commission ("Commission") in Docket No. 14-0588. The bidding process was monitored for the Commission by Boston Pacific Company. On October 14, 2015, voting in open session, the Commission approved the procurement administrator's selection of winning bids.

In accordance with Section 16-111.5(h) of the Public Utilities Act, this public notice announces the names of the successful bidders and the average winning bid price for each contract type and for each contract term. 220 ILCS 5/16-111.5(h). In accordance with the RFP rules and previous Commission orders, quantity information is also provided where the number of successful bidders is greater than two.
