

ILLINOIS COMMERCE COMMISSION**Public Notice of Successful Bidders and Average Prices****Illinois Power Agency****Spring 2016 Procurement of Renewable Energy Credits for
Ameren Illinois Company, Commonwealth Edison Company
and MidAmerican Energy Company****May 10, 2016**

On May 4, 2016, the Illinois Power Agency's procurement administrator, NERA Economic Consulting, received bids for the sale of renewable energy credits derived from solar photovoltaic resources to Ameren Illinois Company ("Ameren") and Commonwealth Edison Company ("ComEd"), and also for the sale of renewable energy credits derived from various technology types to MidAmerican Energy Company ("MEC"). Bids were received in response to requests for proposals held pursuant to the procurement plan approved by the Illinois Commerce Commission ("Commission") in Docket No. 15-0541. The process was monitored for the Commission by Boston Pacific Company. On May 10, 2016, voting in open session, the Commission approved the procurement administrator's selection of winning bids.

This request for proposals sought renewable energy credits ("RECs") to satisfy the requirements specified in the Illinois Power Agency Act ("IPA Act") for the June 2016 through May 2017 delivery year. The IPA Act requires RECs to be purchased from resources located within Illinois and adjoining states, provided that those RECs can be acquired within certain spending limits. Otherwise, RECs may be acquired from resources located in other states. The IPA Act also requires all RECs acquired to be priced below certain benchmarks.

In accordance with Section 16-111.5(h) of the Public Utilities Act, this public notice announces the names of the successful bidders and the average winning bid price for each contract type. 220 ILCS 5/16-111.5(h). In accordance with previous Commission orders, quantity information is also provided where the number of successful bidders is greater than two.
