RAIL SAFETY SECTION

Re: Petition of Wisconsin Central Ltd. ("WCL") seeking an order of the Illinois Commerce Commission directing that an additional track and grade crossing be constructed at ILL 60 Town Line Road (DOT 689 699 V) on the Wisconsin Ltd. in Lake County, Illinois; T03-0080; Exceptions to Proposed Order

Dear Mr. Lazarides:

The order implies that WCL shall be responsible for any costs associated with changes to the traffic signal interconnect systems. For clarification, WCL requests that the order specify this responsibility for WCL in a manner similar to the language used in T03-0078.

In addition, WCL requests that the deadline for completion of Docket T03-0080 be changed from 12 months to 24 months.

Thank you for your assistance in this matter. Feel free to call me if you have any questions.

Sincerely,

Michael J. Barron, Jr.
Counsel for Wisconsin Central Ltd.
