				Agreement and avoids misunderstandings and disputes.			
Global – 4	All appendixes	Should the term “CLEC” be replaced by the name “LEVEL 3”?				SBC agrees to replace the term throughout the document in every case except where that term refers to a third party CLEC	RESOLVED
Global – 5	GT&C Collocation issue	Should Collocation Definitions be clearly identified as such to distinguish them from general usage?			<u>XX Definition (Collocation Only)</u>	SBC believes that definitions for Collocation are very specific to usage in that application and, although SBC does not oppose placing the definitions in the GT&C document, seeks to clearly identify those particular terms as they pertain to Collocation
