Grace,

Thanks for your email.

Unfortunately, the BFRs that were sent out last week were a rushed job and had some mistakes. The letter indicated that there would be a form, when in reality we only attached a list of the MSAs in which we want to be able to port with your company beginning May 24th, 2004.

The phone number listed was definitely incorrect. The correct phone number is 425 580 8045. If you'd like to talk, please feel free to call me. Otherwise, if you want to respond to the request either by letter or via email, that would be great.

Thanks,

Suzy

I received your letter today in the mail requesting I fill out an attached form. There was no form with the letter. Also I tried to call you on 425-580-0845 and I get a recording that says this number has been changed or is no longer in service. Please call me on 309-372-4490 so we can talk about this request. Thanks.
