

Docket No: 00-0393
Bench Date: 7/8/04
Deadline: N/A

MEMORANDUM

TO: The Commission

FROM: Eve Moran and Bernadette Cole, Administrative Law Judges

DATE: June 24, 2004

SUBJECT: Illinois Bell Telephone Company
Proposed Implementation of High Frequency Portion of Loop (HFPL)/Line Sharing Service.

RECOMMENDATION: Enter Amendatory Order.

In developing their Proposed Order on Reopening for this case, the ALJs discovered that the date listed on the Order on Reopening is different from the date of the Commission's vote and entry.

This Amendatory Order corrects this error and further provides for the standard signatory line that is missing in the original order. We recommend that the Amendatory Order now be entered.
