Issue #	Issue	Appendix & Sections	MCI Language	MCI Position	SBC ILLINOIS Language	SBC ILLINOIS Preliminary Position
	Directory Assistance (DA)	Appendix VI: DA				
DA 1	<p>SBC: Should SBC ILLINOIS be required to provide DA as a UNE?</p> <p>MCI: Should the Operator Service Appendix reference whether OS is a UNE?</p>	DA 3.2	<p>SBC ILLINOIS shall provide Directory Assistance <i>as an unbundled Network Element at TELRIC-based rates</i>, unless SBC ILLINOIS provides MCI with customized routing as defined in Appendix UNE <i>and unless authorized to discontinue unbundled Directory Assistance by the Commission.</i></p>	Both OS and DA are considered Unbundled Network Elements to be offered at TELRIC-based rates unless and until the CLEC (in this case MCI) can truly take advantage of third party providers (including self provisioning) via customized routing.	SBC ILLINOIS shall provide Directory Assistance <u>in accordance with the terms and conditions herein</u> , unless SBC ILLINOIS provides MCI with customized routing as defined in Appendix UNE.	<p>SBC IL currently provides OS/DA as a UNE as ordered by the ICC in Dockets Nos. <u>96-0486/0569</u> per Tariff 20, Part 19 Section 7.</p> <p>DA is not a UNE where the service is made available in a nondiscriminatory manner and where custom routing is offered. The Commission must decide whether SBC Illinois offers such customized routing.</p>
