MEMORANDUM

TO: The Commission

FROM: Eve Moran, Administrative Law Judge

DATE: October 21, 2004

SUBJECT: Illinois Bell Telephone Company (SBC Illinois) and Intermedia Communications, Inc..

Joint Petition for Approval of Fourth Amendment to the Interconnection Agreement dated August 3, 2004 pursuant to 47 U.S.C. § 252.

RECOMMENDATION: Enter Order Approving Amendment.

The negotiating parties, i.e., SBC Illinois and Intermedia Communications, Inc., are seeking Commission approval of the Fourth Amendment to their Interconnection Agreement. There are no contested issues. Staff witness Clausen reviewed the Amendment in all particulars, and recommends its approval for the reason that it meets with both the standards of the federal Act and the public interest.

The attached Order gives the negotiating parties their requested relief and the directions to SBC Illinois, as regards implementation, satisfy the public interest. It is recommended, thus, that the Commission enter the instant Order.
