Global Tel* Link Corporation
Resumes of Management Personnel

Craig Ferguson
President

Auburn University
BS/Accounting 1977

Craig Ferguson has been with Schlumberger, Global Tel*Link's parent company, for more than 19 years. His first position with the company was Controller for the North American Water Division, where he served for 8 years. He then worked two years as Controller for Schlumberger Well Services Manufacturing and Engineering. Next, Mr. Ferguson worked two and a half years as ATE Controller in San Jose, California. Prior to coming to Global Tel*Link, Mr. Ferguson served as the Vice President and General Manager of the Semi Conductor Solutions Group for 7 years. Today, Craig Ferguson's position is President of Global Tel*Link. At Global Tel*Link, Mr. Ferguson leads the management staff in the development, production, and support of Global Tel*Link's state-of-the-art products.

Bob Jones **Kansas University**
Vice President of Sales

Rockhurst College

Mr. Jones has over 30 years of telecommunications experience. He retired from SBC Communications Inc. prior to joining the management team at Global Tel*Link. During his career at SBC he held positions in the Network and Maintenance Departments for over 17 years. His last 14 years were in the Sales and Marketing Department. His last position held at SBC was Vice President of Sales. With an extensive staff of Regional Sales Representatives and Authorized Sales Agents, Mr. Jones is now responsible for all inmate telephone sales activities. He also has the responsibility of Marketing for Global Tel*Link. Mr. Jones served in the U.S. Army during the Vietnam Era.

Thomas C. Hearn
Vice President of Customer Service

Auburn University
BS/Engineering 1965
Troy State University
MBA 1974

After college graduation, Mr. Hearn served our nation for 5 years in the nuclear-powered submarines division of the U.S. Navy, and held the rank of Lieutenant Commander in the Naval Reserves. Before joining Global, he worked for 10 years in the commercial nuclear field in engineering, testing and management. Since arriving at Global in 1990, Mr. Hearn has been instrumental in the development of Global Tel*Link's software and hardware products, product development, engineering management, and Sales and Marketing. With an extensive staff of Customer Service Representatives, Mr. Hearn is now responsible for all Customer Service activities.

Resumes of Management Personnel, (Continued)

Hal Howard
Vice President of Operations

University of Rochester MBA 1977
Rochester Institute of Tech. BS 1973
Alfred State College AAS 1969
CFA (Level 2) 1981

Hal Howard joined Global Tel*Link in May 1995 from Advanced TeleMedia International of Miami, Florida. Mr. Howard has an extensive senior level business background in telecommunications and systems development, beginning as an engineer with Rochester Telephone in 1969. During Mr. Howard's 28 years in this industry he has participated in the commercialization and development of worldwide major new markets and technologies such as digital PABX/Key systems, high capacity packet switching and frame relay systems, international data networks, advanced fiber optic systems, pioneering computer technology systems, and high capacity nationwide computer and advanced intelligence networks. Mr. Howard has held senior level positions with Rochester Telephone (Frontier Communications), United Telephone Systems, Sprint, Data America and 3 start-up companies as president and business development manager. He also has an extensive background in international telecommunications operations and regulations, through forming and managing joint venture companies in Japan and Europe while heading Sprint's 36 country international services operations. Mr. Howard effectively administers our Operations Department with responsibilities for Production, Shipping and Installation of our inmate telephone systems.

Steve Yow
Controller

Emory University MBA 1996
Birmingham-Southern College BS 1992

Mr. Yow joined Global Tel*Link as the controller in 2002. Prior to this position, Mr. Yow spent six years in the telecom industry as Director of Finance for Powertel Inc, a publicly traded wireless communication provider. Prior to Powertel, Mr. Yow spent three years in Nashville, TN with First American Bank working in both the commercial credit and lending areas.

Teresa Ridgeway
Vice President of Marketing

University of South Alabama
BA/Psychology 1981
University of San Francisco
MHROD - Human Resources,
Organizational Development

After college graduation, Ms. Ridgeway moved to California to further her education and worked as a purchasing agent for one of the largest suppliers in the wine industry. In 1984, she joined the California School of Professional Psychology and rapidly advanced to Associate Provost for Administrative Affairs. Her areas of responsibility included Admissions, Financial Aid, Business Affairs, Human Resources, Computer Services, and Plant Management, supervising 30 full-time and 40 part-time employees and an annual budget of \$4 million. Ms. Ridgeway was successful in raising the minority population of the student body from 14% to 30% in 3 years. She was instrumental in designing and marketing a Master's program in Organizational Behavior. Upon returning to Mobile in 1992, she launched a family-owned business prior to joining Global Tel*Link in February 1993. After serving in the position Director of Support Services, HR Manager, Director of Tactical Marketing and Director of Major Accounts, she assumed the role of Vice President of Marketing.
