MEMORANDUM

TO: The Commission

FROM: John T. Riley, Administrative Law Judge

DATE: December 27, 2004

SUBJECT: Illinois Bell Telephone Company (SBC Illinois) and Sprint Spectrum, L.P. as agent for WirelessCo., L.P.

Joint Petition for Approval of the First Amendment to the Interconnection Agreement dated October 11, 2004, pursuant to 47 U.S.C. §252.

RECOMMENDATION: Enter Order approving the Amendment.

This matter concerns Commission approval of an Amendment to the Negotiated Interconnection Agreement between Illinois Bell Telephone Company (SBC Illinois) and Sprint Spectrum, L.P. as agent for WirelessCo., L.P. Staff objected to the Amendment on the grounds that Sprint Spectrum, L.P. had been removed as a telecommunications carrier. SBC Illinois and Sprint filed a Joint Motion to Correct Caption to reflect that Sprint Spectrum, L.P. was an agent of WirelessCo., L.P., the entity registered with the Commission as a provider of commercial mobile radio service in Illinois. The ALJ granted the motion. No petitions for leave to intervene were filed and there were no contested issues in this docket. The Amendment does not discriminate against a telecommunications carrier not a party to the Amendment, nor would implementation of the Amendment be contrary to the public interest, convenience and necessity.

Accordingly, I recommend that the Commission enter the attached Order approving the Amendment.
