Grant Thornton 

Biography

Lindy Decker

Assurance Manager

Lindy is a manager in the Oklahoma City office of Grant Thornton LLP. She joined the Assurance Services Department in January 2004 with seven years experience in public accounting. She specializes in oil and gas, specifically large midstream pipelines, and refining and marketing.

Large audit clients included CMS Panhandle Eastern Pipe Line, an interstate FERC regulated transporter and storer of natural gas, and refiner and marketer Equilon Enterprises, a \$16 billion joint venture owned by Texaco and Shell.

Lindy also has experience with due diligence investigations, acquisitions and IPO's, and has worked extensively with energy clients, including developing and teaching courses in oil and gas accounting.

Currently she provides midstream industry expertise in working with the Grant Thornton Chicago based Economic Advisor Services Group.

Education and Certifications

Lindy received a Bachelor of Business Administration from Sam Houston State University with a major in Accounting. Lindy is certified as a Certified Public Accountant in Texas and Oklahoma.

Affiliations

Lindy is a member American Institute of Certified Public Accountants and the Texas and Oklahoma Societies of Certified Public Accountants.
