

Docket No: 04-0703
Bench Date: 1/20/05
Deadline: N/A

MEMORANDUM

TO: The Commission

FROM: John T. Riley, Administrative Law Judge

DATE: January 12, 2005

SUBJECT: TDI Communications, Inc.
Application (by Letter) to Withdraw.

RECOMMENDATION: Enter Amendatory Order.

On December 29, 2004, the Commission entered an Order granting Applicant a Certificate of Service Authority pursuant to Section 13-404 of the Public Utilities Act. The attached Amendatory Order corrects the First Ordering Paragraph, deleting the name "United States Advanced Network, Inc." and substituting "TDI Communications, Inc." In all other respects, the Order remains the same and in full force and effect.

Accordingly, I recommend that the Commission enter the attached Amendatory Order.
