Re: Docket No. 05-0201 – Appearance and Response of Primus Telecommunications, Inc.

Dear Ms. Rolando:

On behalf of Primus Telecommunications, Inc. (“Primus”), this letter responds to the Commission’s Order issued in Docket No. 05-0201 on March 23, 2005. Specifically, Primus acknowledges and confirms that it has not exercised its certificates within two years as required by 220 ILCS 5/13-401. As a result, Primus understands that its certificates are null and void as a matter of law and have not actually been revoked. Primus, therefore, does not object to the Commission removing Primus from its records as a certificated telecommunications carrier. Primus respectfully requests that the Commission accept this letter in lieu of Primus appearing at the April 27, 2005 hearing in the above-referenced Docket.

An original and one (1) copy of this letter are enclosed for filing. Please date stamp the extra copy and return it in the self-addressed, postage paid envelope provided. Also enclosed is a diskette with an electronic copy of this letter in PDF format. Should you have any questions or require any additional information, please do not hesitate to contact us.

Respectfully submitted,

Douglas D. Orvis II

Counsel for Primus Telecommunications, Inc.
