Re: Illinois Commerce Commission Docket No. 05 -
Application of Telmex USA, L.L.C. for a Certificate of Prepaid Calling Service Provider
Authority
Request for Expedited Processing

Dear Ms. Rolando:

I am electronically filing with the Commission via E-Docket the Application for Prepaid Calling Service Provider Authority of Telmex USA, L.L.C. ("Telmex). This filing is being made in compliance with Section 13.404.1 of the Illinois Public Utilities Act, 220 ILCS 5/13-404.1. Telmex is currently providing prepaid calling card services in Illinois as authorized by the Commission on November 20, 2000 in Docket No. 00-582 whereby Telmex was granted a Certificate of Service Authority and a Certificate of Interexchange Service Authority.

Telmex requests that these certificates of service authority be amended, to the extent necessary, to specifically include prepaid calling services in the State of Illinois. We request that the Commission approve this application pursuant to 220 ILCS 5/13-404(B) which provides that previously certificated interexchange or exchange carriers be approved without hearing and upon a simple showing that the carrier remains in good standing. Telmex is in good standing and therefore requests expedited approval of this application. Enclosed is the template application containing current information related to the company's prepaid calling operations. Certain information previously provided to the Commission has not been included.

Any questions regarding this matter should be directed to me at (205) 330-1703 or via email to bobbi@visiology.com. Your assistance in this matter is greatly appreciated.

Yours truly,

Bobbi Ferguson

TECHNICAL

21. Does Applicant utilize its own equipment and/or facilities? YES NO

If YES, please list the equipment and / or facilities Applicant intends to utilize. Also include evidence that Applicant possesses the necessary technical resources to deploy and maintain said facilities:

Applicant provides prepaid services through a state of the art prepaid platform located in Miami, Florida. This platform is supported by Applicant's technical staff on a 24x7 basis. As a switched-based reseller, the Company relies on its facilities-based underlying carriers for the operation and maintenance of the transmission facilities. Consequently, the quality of service that the Company's customers receive will be at least equivalent to that provided by the underlying carrier(s). If a customer notifies the Company that a debit card does not work, the Company will issue a replacement card upon return of the unused original card.

If NO, which underlying carrier's facilities does the Applicant intend to use?

22. Please describe the nature of prepaid service to be provided (e.g., general service, location specific service, discounted rates for specific countries, etc.).

Applicant's prepaid cards may be used for both domestic and international calling normally in \$5.00 denomination. Applicant does make available prepaid cards with discounted rates for specific countries geared for international calling. Prepaid services can be accessed twenty-four hours a day, seven days a week from any touch tone telephone. Applicant's prepaid card service is typically sold through retail locations that sell the service to end-users.

Prepaid card services permit end users to purchase a fixed amount of long distance calling capability in advance. As the user places and completes calls over the network in accordance with the instructions on the prepaid card, the prepaid card is reduced at a specified unit or rate per minute of use depending upon the type of card. The prepaid card may be used until the balance is depleted.

23. Will technical personnel be available at all times to assist customers with service problems?

YES NO

24. Please attach a copy of the front and back of any prepaid calling cards Applicant currently sells.
See Exhibit D.

MANAGERIAL AND TECHNICAL EXPERTISE

Telmex USA, L.L.C. was granted a Certificate of Service Authority and a Certificate of Interexchange Service Authority on November 20, 2000 by the I.C.C. in Docket No. 00-582. Telmex USA, L.L.C. was authorized to provide facilities-based and resold interexchange telecommunication services including prepaid calling services at that time. The Commission determined then that Telmex USA, L.L.C. possessed sufficient technical, financial and managerial resources and abilities as required by Sections 13-403 and 13-404 of the Act to provide facilities-based and resold interexchange telecommunications services within the State of Illinois.

The key management personnel of Telmex USA have experience and expertise in the telecommunications market and have the managerial ability to resell interexchange telecommunications services.

Jorge Rodriguez, President

Mr. Rodriguez joined Telmex USA, L.L.C. in February 2004 bringing with him over 14 years of highly successful international executive and management experience in operations, sales, marketing and customer support. As President, Jorge Rodriguez is responsible for Telmex USA's operation, managing a full suite of product and services targeted at both consumer and business markets. Prior to joining Telmex USA, L.L.C., Mr. Rodriguez served in various executive positions at AT&T and AT&TLA Corporations including Regional VP and VP of Sales and Operations. Among his many achievements at AT&T and AT&TLA Corporations, Mr. Rodriguez launched start up operations in Latin America, established a fully integrated regional operation in support of Global Customers, managed over \$3B in assets, and was a Board Member of several AT&TLA operating companies in Latin America. Mr. Rodriguez holds an Advanced Management Degree a BA in Biology/Molecular Biology from Colgate University and led research in Bio-Chemical/Molecular Biology Engineering between Colgate University and Oxford University.

ORLANDO A. KLEEN, CONTROLLER

Mr. Kleen received a Bachelor of Accountancy degree from the University of Houston in 1978 and currently holds a Certified Public Accountant license in Texas. He started his career in Houston, Texas with Brown & Root, Inc. (a Halliburton Company) in the Corporate Financial Reporting Division. He eventually was assigned to the Mexico City office as Controller of the engineering services division from 1981 to 1984. Upon returning to Houston, during the oil depression, Mr. Kleen entered into public accounting and provided audit, tax planning and compliance, and management consulting with local and national firms. In 1989, he joined a ten million-dollar distribution and export company as Vice President and Controller. Since 1997, he has been with Telmex USA, L.L.C. as Controller. As a member of the Houston Chapter of Texas Society of CPAs, in 1997 he was selected as one of the candidates to participate in the first Leadership Program. Before re-locating to California, Mr. Kleen was actively involved in the International Committee and also served as Vice-Chair of the Management of Accounting Practices Committee.

JAVIER ROSADO, VP MARKETING

Mr. Rosado received his Bachelor in Business Administration from the Instituto Tecnológico Autonomo de Mexico in 1989. In 1993, he received a Certificate of Special Studies in Business and Management from Harvard University. In 1994, Mr. Rosado, graduated with honors from the Arthur D. Little Management Education Institute, and was his class salutatorian. Mr. Rosado was an Assistant Brand Manager for Procter & Gamble-Mexico- from 1989-1991, where he developed and implemented strategic marketing plans for various consumer goods including Oil of Olay and VapoRUB. From 1991-1992, Mr. Rosado worked to obtain startup capital for the creation of Autopartes Macros, an automobile parts company for which he served as General Manager. Mr. Rosado joined Telefonos de Mexico S.A. de C.V. in 1994 and managed the introduction of a variety of new services to Mexico, including the Telcard telephone card, Digital Services, advanced residential services and 1-800 service. As Marketing Coordinator for Telmex/Sprint Communications he was responsible for overseeing all marketing functions of the joint venture. His duties included the initial evaluation, development and execution of market research planning. He was also responsible for the company's present and future marketing strategies and techniques.
