**STATE OF ILLINOIS
ILLINOIS COMMERCE COMMISSION
STIPULATED AGREEMENT NO. 1138**

This Agreement made and entered into, by and between the State of Illinois acting by and through the Illinois Commerce Commission ("Commission"), the BNSF Railway Company ("Company") and the State of Illinois, Department of Transportation ("Department").

WITNESSETH:

WHEREAS, it has come to the attention of the Commission through informal correspondence that inquiry should be made into the matter of improving public safety by renewal of the existing crossbuck signs and installation of YIELD signs at each of the Company's one hundred eighty seven (187) public highway-railroad grade crossings listed on Exhibit A attached hereto; and

WHEREAS, the parties are mutually agreeable to accomplish the proposed improvements upon a determination of the Commission by Order.

NOW THEREFORE, in consideration of the premises and of the mutual covenants and agreements as hereinafter contained the parties pray that the Commission enter an Order according to the provisions of Section 18c-7401 of the Illinois Commercial Transportation Law requiring that certain improvements as hereinafter stated be made and that the cost for the proposed improvements be divided among the parties according to law and that in the interest of the traveling public the Grade Crossing Protection Fund (GCPF) of the Motor Fuel Tax Law be required to bear a substantial portion of the cost; To Wit the parties agree as follows:

Section 1 All improvements encompassed by this Agreement shall be made in accordance with all applicable State laws, rules, standards, regulations and Commission Orders and procedures in general.

Section 2 The parties are of the opinion that the following improvements should be performed in the interest of public safety at those crossings listed on Exhibit A attached hereto:

- (a) The renewal of the existing crossbuck signs in accordance with the Manual on Uniform Traffic Control Devices (MUTCD) and the installation of YIELD signs (R1-2) mounted on the crossbuck sign posts as indicated on Exhibit C attached hereto. The crossbuck and YIELD signs should not be installed at any crossings that are closed by Order of the Commission prior to the completion date set forth in this Agreement, and at any crossings where automatic warning devices are installed and in service prior to the completion date set forth in this Agreement.

Section 3 The Company has prepared a detailed "per crossbuck" estimate of the cost to accomplish the proposed improvements; said estimate is attached as Exhibit B.

Section 4 The Company shall upon Commission Order, according to the requirements contained therein, proceed toward the completion of the proposed improvements, accomplishing the work with its own forces or appropriate contracted services and agrees that an appropriate time for the completion of the proposed improvements should be twelve (12) months from the date of Commission Order subsequent to this Agreement.

Section 5 The parties hereto agree that an equitable division of cost for the proposed improvements should be as follows:

- DIVISION OF COST -

IMPROVEMENT	EST. COST	GCPF	COMPANY
Renew existing crossbuck signs and install YIELD signs as set forth in Section 2(a) herein	\$303,314	(50%) \$151,657 ¹	Remainder ²
TOTALS	\$303,314	\$151,657	Remainder

Notes:

¹ Total Grade Crossing Protection Fund (GCPF) assistance not to exceed \$151,657; any installation costs above the estimated amount of \$303,314 will, upon Supplemental Petition to, and approval by the Commission, be divided between the GCPF and the Company in the same percentages noted above.

² Company responsible for all future maintenance costs associated with the new signs.
