Seasonal Use Transportation Service

Availability.

For any commercial or industrial Customer at a single location who enters into a contract with the Company hereunder, to transport Customer-owned gas from an interconnection with a pipeline supplier of the Company to the Customer's premises; and

- (a) where the Customer's Winter Period use, December 1 through March 31, shall be less than five (5) percent of Customer's total annual usage during the twelve (12) months ending March 31; and
- (b) where the Customer has contracted for transportation of direct purchases from the delivery point of the seller to an existing interstate pipeline interconnection with the Company's facilities as approved by the Company, which interconnection, in the sole judgment of the Company, is capable of receiving the Customer's gas without impairment of anticipated deliveries of any gas supplies to be purchased by the Company for general system use; and
- (c) where the final pipeline transporter of such Customer-owned gas agrees to provide daily delivery data for such gas to the Company; and
- (d) where satisfactory evidence of Customer's contracts with seller(s) and intrastate or interstate transporters are provided to the Company; and
- (e) where all such arrangements have been approved by each regulatory agency having jurisdiction over such matters, to the satisfaction of the Company; and
- (f) where Customer provides a telephone line to within six (6) feet of the meter, which telephone line shall be directly accessible. The telephone line must terminate with an approved demarcation box. The Customer's telephone service must conform to the specifications of the metering equipment, and the metering equipment will not be installed by the Company until the required telephone line is available.

Customers served hereunder shall have their metered usage and nominations daily balanced in accordance with any transportation and storage provisions.

Winter Period Usage.

During the period of December 1 through March 31, Customer's total metered use shall be less than five (5) percent of the total annual use during the twelve (12) months ending March 31. Eligibility will be determined in April of each year based on the preceding 12 months ending March 31. Eligibility shall be further contingent upon: (i) the request by a qualified Customer, (ii) Customer receiving gas service for the twelve (12) consecutive months ending March 31, and (iii) Customer utilizing no more than 250,000 therms during such 12 month period. Absent the receipt of written notification from Customer requesting Rate 4, General Service, Customer, if deemed ineligible for this rate, shall be placed on Rate 74, General Transportation Service for a period of one (1) year.

Storage.

On any day in which Customer-owned gas delivered to the Company, as adjusted for unaccounted-for gas, exceeds the Customer's metered gas deliveries from the Company, the difference between such deliveries shall be the volume of gas held in storage by the Company and available for the Customer's use. The Customer may place into storage amounts up to the Storage Banking Service capacity.

On a Critical Day or an OFO Shortage Day, withdrawal of gas from storage shall be limited to the Customer's Storage Withdrawal Factor (SWF) times 0.023 (0.021 as of the first June 1 after the Effective Date of this tariff) times the Storage Banking Service capacity.

On any day, other than a Critical Day or an OFO Shortage Day, in which Customer-owned gas delivered to the Company, as adjusted for unaccounted-for gas, is less than the Customer's metered gas deliveries from the Company, the balance of any gas held in storage for the Customer's account will be used.

See Terms and Conditions for Order of Deliveries.

Contract.

The initial term of the contract shall be one year. The initial term shall commence when the Company begins to supply gas service hereunder and shall be automatically renewed each year for a period of one year. The contract will specify, in terms, the Maximum Daily Contract Quantity, the Storage Banking Service capacity and the Firm Backup Service quantity.

Company reserves the right to refuse to enter into any contract which specifies an unreasonably high Maximum Daily Contract Quantity.

The Customer shall have the right to terminate service under the contract at the end of any month on 30 days' written notice to the Company; provided, however, that in the event of termination, all amounts due the Company shall forthwith be paid, including, but not limited to, the Monthly Customer, Recording Device, and Administrative Charges for the unexpired portion of the initial term of contract and, if applicable, the Storage Banking Service, Firm Backup Service and Gas Supply Cost charges until June 1. A Customer may not voluntarily discontinue transportation service and subsequently renew transportation service under this rate or different transportation service provisions within a period of 12 consecutive months at the same premise.

General.

The schedule of which this rate is a part includes certain Terms and Conditions and Riders. Service hereunder is subject to these Terms and Conditions and the Riders which are listed as applicable to this rate, including but not limited to, Transportation Limitations and Amounts, Maximum Daily Contract Quantity, definitions of Critical Day, definitions of an Operational Flow Order Day, Requested Authorized Use, Authorized Use, and Unauthorized Use.
