Biographies of Corporate Officers Global Metro Networks Illinois, LLC.

Mr. Douglas Hudson

President and Chief Operating Officer

Mr. Hudson has been a leader in the U.S. competitive telephone industry since its inception. After serving as a Regional Sales Manager for ATC Microtel from 1983 to 1987, Mr. Hudson was one of the founders of Metropolitan Fiber Systems, a competitive access provider subsequently acquired by MCI Worldcom, rising to the position of Vice President and General Manager of the mid-Atlantic region. In 1993, Mr. Hudson joined e.spire Communications, (formerly known as American Communication Systems, Inc. ACSI), as an Executive Vice President and General Manager for Field Operations. In 1998, Mr. Hudson founded ACSI Network Technologies, Inc. e.spire's wholly-owned network development subsidiary. ACSI Network Technologies provides construction engineering, project management and construction services. Mr. Hudson is a graduate of Purdue University.

Mr. Liam McElhone

Vice President, Contracts & Sales Operations

Prior to joining Global Metro, Mr. McElhone served as Senior Vice President, Finance and Business Development for ACSI Network Technologies, Inc. where he was responsible for pricing and proposal development, contracts negotiation and administration, financial reporting, marketing, and business development. Mr. McElhone previously served as a member of the management team responsible for launching CLEC services for NEXTLINK in Chicago, and served as the Director of Cable & Wireless's prepaid calling card division in the United States. Before entering the telecommunications industry, Mr. McElhone spent seven years in aviation finance, working for the U.S. marketing divisions of British Aerospace and Daimler Benz Aerospace. Mr. McElhone graduated from the University of Virginia with a Bachelor of Science in Commerce with concentrations in Finance and Marketing.

Mr. Matthew Phillips

Vice President, Construction

Mr. Phillips served in the U.S. Army for five years as an operations and logistics officer, achieving the rank of Captain. Mr. Phillips joined e.spire Communications in 1994, serving as Regional Vice President, Sales Operations, and later as Regional Vice President, Engineering and Construction for ACSI Network Technologies, Inc. during his six year tenure. Mr. Phillips has extensive experience covering all aspects of the telecommunications industry focusing particularly on outside plant, engineering, construction, facility design, operations and sales. Mr. Phillips is a graduate of U.S. Military Academy at West Point.

Mr. Gary Price

Vice President Finance & Controller

Mr. Price brings over 15 years of accounting and tax experience, as well as over nine years of international telecommunications experience. During his career in the communications industry he has been involved in numerous global capacity transactions, mergers acquisitions and complex global financing structures. Most recently he served as Director of Taxation for Teleglobe Communications

Corp. where he managed complex cross-border tax and accounting structures associated with their rapid global expansion to over 40 international markets. In 1996, he served on the management finance team responsible for the \$96.6 million IPO of LCC International, the world's largest RF engineering and wireless telecommunications consulting firm. Mr. Price received his B.B.A. from the University of Texas at Arlington and his M.S.T. from the George Washington University.
