

PROPOSED RIDERS WITH HOUSEKEEPING CHANGES

Proposed Rider	Proposed Changes
<p>Rider CLR7 (Capacity-Based Load Response and System Reliability Program 2007):</p> <p>Rider CLR7 replaces Rider CLR and provides credits to customers that commit to providing load reduction.</p>	<p>Incorporated names of new tariffs where appropriate.</p>
<p>Rider LGC (Local Government Compliance Adjustment):</p> <p>Rider LGC replaces Rider 28 and recovers certain costs required to be expended by ComEd as a result of local ordinances or other requirements.</p>	<p>Added a “Definitions” section to provide organizational clarity.</p>
<p>Rider ML (Meter-Related Facilities Lease):</p> <p>Rider ML replaces Rider 7 and provides the charges for nonstandard meter-related facilities.</p>	<p>Revised charges to reflect current costs, consolidated certain meter-related facilities together for rental purposes as appropriate, and added new meter-related facilities.</p>
<p>Rider QSW (Qualified Solid Waste Energy Facility Purchases):</p> <p>Rider QSW replaces Rider 3 and defines the compensation and other requirements for certain qualified energy producers.</p>	<p>Incorporated names of new tariffs where appropriate.</p>

PROPOSED RIDERS WITH HOUSEKEEPING CHANGES

Proposed Rider	Proposed Changes
<p>Rider RCA (Retail Customer Assessments):</p> <p>Replaces Rider 21 and assesses charges for renewable energy resources and coal technology development as well as low-income assistance as defined by law.</p>	<p>Shortened name of tariff.</p>
<p>Rider SBO7 (Single Bill Option 2007):</p> <p>Replaces Rider SBO and is applicable to Rate RESS7 and provides for the computation of a single bill for all services (including delivery services) provided to a RES' customers.</p>	<p>Revised the Single Bill Credit consistent with the revised Single Bill Credit shown in Rate RDS.</p>
<p>Rider TAX (Municipal and State Tax Additions):</p> <p>Replaces Rider 23 and provides for the recovery of state and municipal excise taxes.</p>	<p>Removed references to the municipal tax based on gross receipts named "Percentage Addition" because it is no longer applicable</p>
<p>Rider VLR7 (Voluntary Load Response and System Reliability Program 2007):</p> <p>Replaces Rider VLR and provides customers that voluntarily reduce load with credits.</p>	<p>Incorporated names of new tariffs where appropriate.</p>
