

Attachment E: Managerial Requirements

Nicor Prairie Point Energy, LLC certifies that the following individuals have four or more years demonstrated experience in management positions with enterprise financial and administration responsibilities including profit and loss responsibilities and natural gas sales.

Chris Childress – President

Education

Waubonsee Community College
DePaul University

Registration and Affiliation

Past VIP Easter Seals – Aurora Illinois
Campaign Chairperson – United Way
Association of Energy Engineers

Professional Summary

Mr. Childress began his career with Northern Illinois Gas/Nicor in 1980. He has over 25 years experience in the natural gas industry having held a number of positions in Operations, Customer Service, Marketing, and New Business Development. While with Nicor Gas, he worked on projects as diverse as automated meter reading, Customer Service improvement projects, and the Customer Select project on the residential level in concert with an unregulated affiliate. Chris joined the unregulated subsidiary group 1994 working with Nicor Energy Services. Chris assumed responsibility for Prairie Point Energy at its inception, tasked with leading the effort to provide commodity services to small residential and commercial customers within Illinois.

Paul F. DeLacey – General Manager

Education

Iowa State University B.S. Industrial Management

Registration and Affiliation

Past Board Member of the of the American Red Cross - Midwest Chapter
Past Member and Committee Appointee to the Southern Gas Association

Professional Summary

Mr. DeLacey began his career with Northern Illinois Gas in 1981. He has held various positions in Sales, Human Relations, Governmental Relations, Credit, Customer Service and Marketing. He held the position of Director of Marketing at Nicor Gas just before joining Nicor Services in 2002. Mr. DeLacey has overseen the general operations of Nicor Solutions LLC since 2003 and will retain those responsibilities along with the new responsibility of General Manager, Nicor Prairie Point Energy, LLC.

Lisa A. Pishevar – Senior Manager

Education

Michigan State University
DePaul University

B.S. Civil Engineering
MBA Program

Registration and Affiliation

Registered EIT in State of Michigan
Chi Epsilon
Association of Energy Engineers

Professional Summary

Ms. Pishevar began her career with Northern Illinois Gas/Nicor in 1987. She has over 18 years experience in the natural gas industry having held a number of positions in Engineering, Sales, Economics and Rates, and Operating at Nicor Gas. While with Nicor Gas, she worked on projects as diverse as the introduction of unbundling at the residential level (Customer Select pilot program) to evaluating replacement of Nicor Gas' billing system. Lisa joined an unregulated subsidiary in 1999 working on project management, scheduling, and life-cycle feasibility studies for natural gas CHP and large capital projects. In 2002, Lisa joined what is now Nicor Solutions as Product Development Manager focused primarily on Fixed Bill and other energy billing options for natural gas. Lisa will coordinate the effort of offering commodity services to small residential and commercial customers within Illinois.

Krish Haldeman – Operations and Billing Manager

Education

Illinois State University
Benedictine University

B.S. Accounting & Finance
M.S. in M.I.S. & MBA

Registration and Affiliation

Delta Sigma Pi Business Fraternity

Professional Summary

Ms. Haldeman began her career with Nicor in 2000. She has held various positions in Corporate Accounting, Internal Auditing, Information Technology, and Operations while at Nicor. Recently, she joined Nicor Solutions as Operations and Billing Manager focused primarily on the day to day operations of the Fixed Bill program. Prior to joining Nicor, she held various accounting and financial analyst related positions in Long-Term Health Care, Property Management, and Sports Marketing.
