AT&T Illinois Exhibit 2.0  
Sandy M. Moore Direct Testimony**

**Schedule SMM-5**

# Why switch to Sager?

We'll give you something you have never had before:

- FREE Long Distance
- FREE optional Calling Features like Caller ID, Call Waiting, 8-Way Calling, Call Forwarding and more!
- Reliable service you can trust
- One simple bill
- A lower monthly phone service payment

## Simply Savings Plan

\$29.90  
a month.

- **UNLIMITED** local calling
- **100 FREE** nationwide long distance minutes
- **FREE** Caller ID
- **FREE** Call Waiting
- **FREE** 3-Way Calling
- **FREE** Call Forwarding and more!

Government taxes and fees on telephone services apply.

### Switching to Sage is free and easy.

Over 550,000 customers have already switched to Sage Telecom. What are you waiting for? It only takes a few minutes on the telephone. Just call us Monday-Saturday and we'll take care of everything. There's no monthly service charge, no contract to sign, no hidden fees. About the only change you'll notice is a lower telephone bill every month. So call us today, switch and start saving.

*Your telephone number won't change.*

*Additional long distance is only 5 cents a minute, anywhere in the U.S.*

# Here's something worth talking about. Significant savings on your phone bill.

Compared to SBC,  
you'll save more than

**25%**  
per month

That's a savings of  
\$14 a month (\$174 per year)

Imagine being able to call anyone, anywhere with no limits on how long you talk or what time of the day you call. What if it cost you a lot less than you pay right now for home phone service – more than 25 percent less each month? And it came with 12 of the most popular calling features plus Voice Mail – starting with a low monthly price of just \$39.95 for Comcast customers?

It's no dream. It's Comcast Digital Voice, and it can be yours – satisfaction guaranteed.\* All you have to do is switch to save. Make Comcast your phone service, and not only will you be able to keep your current number, you'll keep more than \$14 in savings each month.

So for more phone service for less money, you'd better switch to Comcast Digital Voice. It comes with all the features you expect plus cool new features you'll love.

Comcast Digital Voice™ with  
unlimited local and long-distance  
calling starting at

**\$39.95**  
per month

\*This promotional offer applies to Comcast cable customers only. Offer available to new residential phone and internet customers. Excludes Comcast serviceable areas who select Comcast for all their home calling needs (and is not available to current or former Comcast customers with unpaid balances). Offer promotional period, regular monthly service rates apply. Additional installation, equipment and other charges may apply. Offer may not be combined with any other offer. Limited time offer. Services are subject to terms and conditions of Comcast's subscriber agreements and other applicable terms and conditions. Comcast Digital Voice: Limited Package pricing applies to direct-dial or domestic calls from home. Pricing shown does not include federal, state, or local taxes and fees; our Regulatory Recovery Fee, which is not a fee or government required, or other applicable charges (e.g., per-call charges or international calling). Comcast Digital Voice service (including 911 emergency service) may not be available in an extended power outage. Certain customer premises equipment may not be compatible with Comcast Digital Voice services. Customer must subscribe to Comcast Cable and Internet service to receive best CDV price. \*\*30-day limited guarantee covers standard installation charges, recurring charges, and equipment rental or purchase fees actually paid to Comcast for first month of service. Comcast High-Speed Internet: Offer does not include modem lease of \$3 per month or Comcast Home Networking equipment lease of \$5.00 per month. Pricing and content may change. Prices shown do not include installation and other applicable taxes and fees. \*\*\*Comcast speed tiers range from 4.0 to 8.0 Mbps download speed (maximum upload speed from 384Kbps to 768Kbps respectively). The speed tier selected and pricing will vary depending upon the level of Comcast video service (if any) received. Speed comparisons are for downloads only and are compared to T-1 speeds (1.544 and 3.1Mbps) that up. Actual speeds vary and are not guaranteed. Many factors affect download speed. \*\*Always on™ is not a claim of reliability, but refers to the persistent internet connections provided by the service. ^Video Mail not compatible with Macintosh. Windows required for use of Video Mail. \$Currently with your subscription to Comcast High-Speed Internet, you will receive a one-year subscription at no additional charge to the following McAfee services: VirusScan Online, Personal Firewall and Privacy Service. If Comcast High-Speed Internet service is cancelled, your McAfee subscription will automatically terminate. Comcast reserves the right to change, modify or discontinue services and underlying networks at any time. McAfee offer not valid for Macintosh customers. For restrictions, minimum requirements and complete details about service and prices, call Comcast. ©2005 Comcast. All rights reserved.
