

ICC Docket No. 05-0597
Commonwealth Edison Company's Response to
Staff's (TEE) Data Requests 17.01 - 17.08
Dated: February 6, 2006

REQUEST NO. TEE 17.02:

In response to Staff data request TEE 14.01, the Company referred to its response to Staff data request PL 3.01. Provide copies of all workpapers used to develop the 2004 Uncollectibles as shown on Attachment 1 of 1 to the Company's response to Staff data request PL 3.01. For purposes of this data request, the term "workpapers" means all documents that were relied upon in the course of preparation of the referenced attachment, or of any attachments to Company testimony, regarding 2004 uncollectible accounts expense by customer class.

RESPONSE:

Attachment 1 of 1 to the response to PL 3.01 is the workpaper that calculates the uncollectible expense for each customer sector. TEE 17.02 Attachment 1 of 1 provides the calculation of the uncollectible percentages identified in Note 1 of PL 3.01 Attachment 1 of 1.
