MOTION TO CORRECT FILING

Illinois Bell Telephone Company (“AT&T Illinois”) hereby moves to correct the previously filed petition and the testimony of David M. Swanson, as described below:

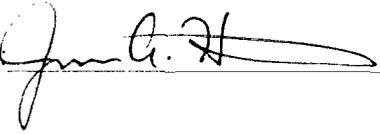

1. The petition at issue in this docket asks the Commission to approve, without a hearing, the sale of certain real estate. Mr. Swanson’s testimony explains why the Commission should grant the petition.

2. Shortly after filing the petition, AT&T Illinois discovered a factual discrepancy that should be corrected. It also determined that Mr. Swanson’s testimony could be clarified in several places.

3. To effect these changes, AT&T Illinois would like to replace its petition and Mr. Swanson’s testimony, as originally filed, with the revised versions that are attached. (The schedules to Mr. Swanson’s testimony are unchanged.)

WHEREFORE, AT&T Illinois requests that the Commission allow the filing of the revised petition and the testimony of David M. Swanson attached hereto.

Respectfully submitted this 9th day of May 2006.
