**Re: SCC Communications Corp.:
Interconnection Agreement Negotiations**

Dear Sir/Madam:

Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996 ("Act"), SCC Communications Corp. ("SCC") requests that Southwestern Bell commence formal negotiations with SCC to establish the terms under which SCC and Southwestern Bell will interconnect their respective networks in Texas. These negotiations should include the full spectrum of issues as contemplated by the Act.

SCC is a certificated facilities-based service provider in the State of Texas operating under SPCOA No. 60317, which was approved by the Public Utility Commission of Texas on January 13, 2000.

Thank you for your assistance, and we look forward to your prompt response.

Sincerely,

David A. Huberman
Regulatory Counsel
