**Re: Illinois Commerce Commission Docket 06-0070(cons)
Errata to Testimony filed on 4-26-06**

Dear Ms. Rolando:

On April 26, 2006, the Citizens Utility Board (CUB) filed with the Illinois Commerce Commission (the "Commission") the direct testimony of Christopher Thomas (CUB Exhibit 2.0). The testimony included seven exhibits (CUB Exhibit 2.01 & 2.07). Errors have been identified in CUB 2.0. Therefore CUB now submit the following errata to CUB Exhibits 2.0:

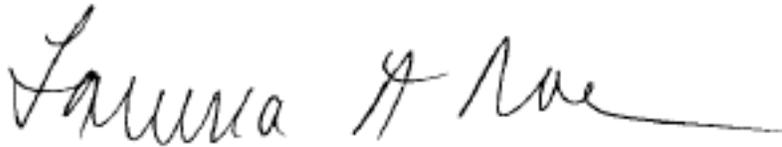

- On page 6, fn. 1, the sentence "Unless otherwise noted, the exhibit numbers, is the same for all three sets of testimony" has been deleted.
- On page 7, ln. 159, "customer class" has been replaced with "customers."
- On page 9, lns 199-200, the sentence "However, it is important to understand that coincident peak usage occurs only one hour out of the 8,760 hours in a year" has been replaced with the sentence "However, it is important to understand that each customer classes' non-coincident peak usage occurs only one hour out of the 8,760 hours in a year."
- On page 12, ln. 271, the word "of" was inserted between "Allocation" and "Distribution."
- On page 18, ln. 387, "increase" has been replaced with "increases."
- On page 18, ln. 397, the second "that" has been replaced with the word "the."
- On page 19, ln. 428, the word "for" has been inserted.
- On page 23, ln. 520, the acronym "IEA" has been moved to after the word "Agency."

- The Exhibit list on page “i” has been corrected.
- The Docket Numbers in the footer on pages 1-36 have been corrected.

The corrected exhibit is attached as well as a redlined version of the corrected testimony. CUB intends to offer the corrected exhibits at the evidentiary hearing anticipated in this docket.

Very truly yours,

The Citizens Utility Board
