Instructions for Locking the Form and Submitting It to e-Docket:

Once you've completed this form and any other necessary documentation, please lock the form and submit it, together with any accompanying documents, to e-Docket. If you are submitting additional documents with the form, please convert those documents first to PDF files by following the instructions below. Using this method will ensure that the contents of the accompanying documents cannot later be changed.

Converting other documents to PDF files:

Commission employees who routinely submit files to e-Docket will have a feature in their Microsoft applications that allow them to take any file created in that application and convert it to PDF by selecting "Print" and then either "to Distiller" or "to Adobe PDF." Selecting either of those two choices will display the converted file in Adobe Reader and will allow the person to save it with a new file name. Once you've converted the necessary documents and named them, please identify those additional documents in the "Other Pertinent Information" field above.

Locking the form:

Select this button to change all fields except the Docket or Case No. field to "read only." Once this button is selected, no one can change the contents of the form.

After you've completed and locked this form and converted any necessary documents to PDF files, please submit them to the pertinent case or proceeding on e-Docket. If no docketed proceeding has yet been opened in the matter, please submit them to the Chief Clerk with a brief explanatory note.

Under Section 5-50(b-5) of the State Officials and Employees Ethics Act, the information required by this form shall promptly be memorialized and made a part of the record.
