Application for Rehearing filed by Building Owners and
Managers Association (BOMA).

RECOMMENDATION: Deny the Petition for rehearing.

Overview

On August 25, 2006, the Building Owners and Management Association (“BOMA”) filed an Application for Rehearing pursuant to the Order entered on July 26, 2006. BOMA request for rehearing was for the Order’s conclusion adopting the elimination of Rider 25. This Rider provided for a bundled rate which exempts nonresidential space heating customers from demand charges on electricity used for space heating. No new information or evidence was presented with the petition for rehearing. Therefore, we recommend that the petition for rehearing be denied.
