MEMORANDUM

TO: The Commission

FROM: Glennon Dolan and Katina Haloulos,
Administrative Law Judges

DATE: December 18, 2006

SUBJECT: Commonwealth Edison Company

Proposed general increase in rates for delivery service.
(Tariffs filed on August 31, 2005).

RECOMMENDATION: Adopt Post-Exceptions Proposed Order on Rehearing.

Due to the fact that the rate freeze is about to expire and the limited time between now and January 2, 2007, it is recommended that the following language be inserted into the Order.

In the "Findings and Orderings" Paragraph:

(11) after service of this Order and by noon of the next business day, parties shall file, if necessary, correspondence with the Chief Clerk containing proposed mathematical, numerical or computational corrections to this Order and/or its Appendix A. By noon of the next business day after receipt of such proposed corrections, Staff shall advise the Commission whether corrections to the Order are necessary, and if necessary, advise the Commission of the corrections required.

It again should be submitted in the "Final Ordering" paragraph as:

IT IS FURTHER ORDERED that after service of this Order and by noon of the next business day, parties shall file, if necessary, correspondence with the Chief Clerk containing proposed mathematical, numerical or computational corrections to this Order and/or its Appendix A. By noon of the next business day after receipt of such proposed corrections, Staff shall advise the Commission whether corrections to the Order are necessary, and if necessary, advise the Commission of the corrections required.
