CHIEF CLERK'S OFFICE

2007 FEB 20 P 2:10

ILLINOIS
COMMERCE COMMISSION

Dear Chairman and Commissioners:

Consistent with the Commission's request in its order of December 20, 2006, in Docket No. 06-0411, Commonwealth Edison Company wishes to inform the Commission of its plans to contribute \$30 million over three years to low-income assistance and senior programs as well as energy efficiency and other environmental programs.

ComEd does not intend to seek recovery of these costs through tariffed rates. Therefore, there would not appear to be any need for the Commission to subject these programs and ComEd's contributions to an investigative proceeding or to otherwise devote resources to determine whether they should be approved or modified. ComEd will regularly provide the Commission with information on the design and impact of the programs and is always available to the Commission on these matters.

ComEd plans to spend approximately the \$30 million in total over the period 2007 through 2009, as suggested by the Commission, provided it is financially able to do so. Attached is a preliminary list describing the general nature of the programs that ComEd intends to support in the first year. ComEd developed this list in part based on preliminary discussions with various stakeholder groups and in part based on its own experience with the programs that were part of its CARE (Customers Affordable Reliable Electricity) initiative.

As time goes on, ComEd may change the nature and/or mix of programs based on input from stakeholders, ComEd's own experience as to what is beneficial and efficient, and other appropriate

factors. Mindful of the Commission's continuing interest in these matters, ComEd will keep the Commission advised as to the final configuration of programs benefited by ComEd's contributions and the end-of-year amounts contributed to or spent on each program in 2007, 2008, and 2009.

If you have any questions, please do not hesitate to contact me.

Sincerely

A handwritten signature in cursive script, appearing to read "Anne Pramaggiore".

Anne Pramaggiore

| | |
|---|---|
| LIHEAP | Contribution to LIHEAP fund. |
| Working Families Assistance | Contribution to assist working poor with electric bills. |
| Low Income Energy Efficiency Program | Program to promote/distribute compact fluorescent light bulbs (CFLs) and energy efficiency products to low income, working families, and seniors. |
| SAFE (Pilot Seniors Program) | Contribution to assist targeted seniors with summer electric bills. |
| On-Line Coupon Program | Residential customers who complete the CARE website's Home Energy Analysis will receive a promotion code good for \$10 off a purchase at the Online Energy Store. This savings is in addition to the everyday 20 percent discount. The Online Energy store is a one-stop-shop for a wide array of ENERGY STAR® products. |
| Gift Card Program | Rebate program designed to promote and educate residential customers on ENERGY STAR® products. ComEd will work big box retailers and others to promote select Energy Star products providing an in store gift card as an incentive. Required purchases will be as low as \$15 to attract low and middle income customers. |
| Change a Light, Change the World | ComEd will continue to promote ENERGY STAR®-rated CFLs to residential customers. |
| Holiday Light Program | CARE website coupon and/or big box program promoting the purchase of LED holiday lights. Program will be launched in conjunction with the Zoo Lights program providing customers an opportunity to see LED holiday lights. |
| Green Retail Product | 2008 retail "green tickets" (renewable energy certificates) program for ComEd commercial and residential customers - Promotion Q4 2007. |
| ComEd Teacher Workshops | ComEd to create teacher workshops that focus on the environment, energy efficiency and dynamic pricing - targeting approximately 7000 children via 240 teachers. Assumes matching contribution from ICECF. |
| CARE for Kids | Reward individual classes for taking on energy efficiency initiatives by providing study lamp with a CFL - targets middle and high school students. |
| Education/ Promotion | Community and customer outreach workshops/ town hall meetings - educational and promotional material. |
