**ERRATA SHEET**

The Staff of the Illinois Commerce Commission (“Staff”), through its attorneys, hereby submits this Errata to the Direct Testimony On Rehearing of Staff witness Peter Lazare, ICC Staff Exhibit 26.0, filed on February 22, 2007. These corrections are reflected in the ICC Staff Exhibit 26.0 Corrected, filed on February 23, 2007. There are no changes to Mr. Lazare’s schedules that were attached to his testimony previously filed on February 22, 2007 but those schedules were refilled with his corrected narrative testimony for completeness purposes. The corrections to Mr. Lazare’s previously filed narrative Direct Testimony on rehearing are as follows:

1. On page 26, starting at line 641, insert the following:

... Although the actual A&G pension for the retired employees at AmerenCIPS cannot be determined, an allocation of the aggregate expense can be made in a reasonable way. If the components of aggregate FAS 87 expense were allocated in proportion to the liabilities, then a reasonable allocation of the test year A&G expense for retired

employees of AmerenCIPS would be \$662,000 (Ameren Response to Staff data request PL-10.34(a))

As described above in my response to (a), the pension expense for retired employees only is not determinable. However, a reasonable allocation of the test year A&G pension expense for retired production employees of AmerenCIPS would be \$176,000. 000 (Ameren Response to Staff data request PL-10.34(c))

2. On the cover page insert "CORRECTED" before "DIRECT TESTIMONY ON REHEARING" and insert "Corrected" in the headers following "26.0".

Dated: February 22, 2007

Respectfully Submitted,

---
