new 138,000 volt electric lines in LaSalle County,)	
Illinois.)	

MOTION FOR LEAVE TO FILE SECOND AMENDED EXHIBIT C TO PETITION

Illinois Power Company d/b/a AmerenIP ("AmerenIP") and Ameren Illinois Transmission Company (together, "Ameren"), pursuant to 83 Ill. Admin. Code Section 200.190(a), hereby move for leave to file Petition Exhibit C (Second Amended) to Ameren's Petition. In support of this motion, Ameren states as follows:

1. Ameren filed its Petition in this matter on November 1, 2006. Pursuant to 83 Illinois Administrative Code § 200.150(h), a list containing the names and addresses of each owner of record of privately owned tracts of land, upon or across which the proposed transmission lines will be constructed, as disclosed by the records of the tax collectors of LaSalle County, was included as Petition Exhibit C.

2. On January 19, 2007, Ameren filed a Motion for Leave to File Amended Exhibit C to Petition ("Motion"). Amended Exhibit C contained the names and addresses of two additional landowners across whose property the proposed line may be constructed, and also identified two landowners who recently purchased property from a landowner who was listed on the original Petition Exhibit C. The Motion was granted on January 22, 2007.

3. Since the time of filing of Amended Exhibit C to the Petition, AmerenIP has become aware of certain additional changes to the list of landowners whose land the proposed

transmission line route crosses. Petition Exhibit C (Second Amended), a copy of which is attached to this Motion, updates Amended Exhibit C to reflect these changes as follows: (i) names shown in yellow highlight have been revised to reflect new or changed ownership of a parcel; (ii) names shown in green highlight reflect the addition of new parties to Exhibit C; and (iii) names shown in strikethrough format have been removed from the list. No new parcels have been added to the list of landowners, and the proposed transmission line route has not changed. The revisions reflect ownership changes to existing parcels on the proposed routes.

5. Ameren is requesting leave to file Petition Exhibit C (Second Amended) in order to provide the most current and updated information available with regard to the landowners shown on Exhibit C.

WHEREFORE, for the above reasons, Illinois Power Company d/b/a AmerenIP and Ameren Illinois Transmission Company request leave to file Petition Exhibit C (Second Amended).

Dated: March 26, 2007

Respectfully submitted,

ILLINOIS POWER COMPANY d/b/a
AmerenIP, and
AMEREN ILLINOIS TRANSMISSION
COMPANY
