ADMINISTRATIVE LAW JUDGE'S RULING

On April 27, 2007, the Joint Applicants in this matter moved for leave to file public versions of certain confidential exhibits and portions of the *in camera* transcript. The Cities of Champaign and Urbana filed the only response, and the Joint Applicants filed a reply. The public versions provide a more limited redaction of the confidential material.

The motion proposes redaction for Champaign/Urbana ("CU") ex. 3 and 5, and for portions of the *in camera* transcript labeled for identification as IAWC ex 4. In their response, the Cities also seek such treatment for CU ex. 4 and 6.

The Cities state in their Response that they do not object to the designations proposed in the motion for CU ex. 3 and 5, nor for the transcripts in IAWC ex. 4. The Joint Applicants state in their Reply that they do not object to public treatment of CU ex. 4 and 6. Accordingly, it appears that the re-designation of materials, as discussed herein and as provided in the proposed exhibits attached to the motion and subsequent related filings, is uncontested and should be granted.

IT IS THEREFORE ORDERED that leave to file public versions is granted for CU ex. 3, 4, 5, and 6, and for the *in camera* transcripts labeled for identification as IAWC ex. 4. Such documents shall be filed on or before June 15, 2007.

Dated: June 1, 2007.
