Attn: Mr. Joe Von De Bur

Dear Mr. Von De Bur:

Per our conversation on June 6, 2007, Marion County on behalf of Kinmundy Road District respectfully requests a 3-month extension of time on the above named project.

The reason for the request is that due to inclement weather, we have not been able to start the project. We feel that all work will be completed in a reasonable length of time and anticipate work commencing on or about June 15, 2007. To insure that work is completed, the project is final inspected by I.D.O.T., material is certified, and the final pay estimate is approved by I.D.O.T., we are requesting the additional length of time.

If further information is required at this time, please do not hesitate to call the Marion County Highway Department.

Very truly yours,  
MARION COUNTY HIGHWAY DEPARTMENT

Marion County Engineer
