Carolyn

The stop signs at these two locations were installed yesterday

John:

We have an ICC order calling for installation of stop signs at DOT 480 013Y, MP D413.24, and at DOT 480 015M, MP D415.0 (CR 500E). Deadline for these is 7/27/07. Please let me know when accomplished so I can advise those concerned at ICC & Law Dept.
