## Completion Report

Re: Vermont ICC / BNSF Roadway and Bridge Improvements  
Section 00-00010-00-BR  
Order T04-0055  
MEAI #03-48-05187

Dear Mr. Stead:

We are writing in regard to the status of the above referenced project. The paving work on North Alley Street was completed on June 8, 2007, and the bridge was opened to traffic June 11, 2007. Driveway pavement and sidewalks were completed by June 29, 2007. Seeding was delayed by weather, but was completed on July 6, 2007.

BNSF has closed the remaining at-grade crossings at Fourth and Eighth Streets. At this time all construction is complete. Final pay estimates have not been submitted, and there is still documentation paperwork to be submitted. We are currently working on these items and will submit them as we soon as we can.

If you have any questions, please feel free to contact this office.

Sincerely,

McCLURE ENGINEERING ASSOCIATES, INC.

Jessica A. Remy, P.E.  
Project Engineer
