Re: Village of Burr Ridge v. BNSF Railway Company, et. al.  
Case No.: T07-0043

Dear Judge Jackson:

As attorney for BNSF, I have reviewed the Proposed Order of July, 2007 recently filed by Burr Ridge. I believe that one revision is appropriate.

In the second paragraph on page 5 of that order, it states that BNSF and Burr Ridge "shall file a Form 3 of... *for each of the above crossings*". As only one crossing is involved, I believe the language in italics should be changed to "for the above crossing", or other similar language.

I realize that this recommendation does not change much in the overall scheme of things, but thought it should be addressed.

Thank you for your time and consideration of this matter.

Very truly yours,

Robert J. Prendergast
