Subject: Illinois In-Service Report for the month of July

Henry,

Attached is the In-Service report for Illinois as of the end of July 2007. I realized that I did not send the email with the information last month; therefore I included both June and July on the first tab in the workbook. The second tab in the workbook contains all as In-Service for the year.

If you have any questions, please contact Hal or me.

Thanks,
