Docket No. T05-0034

PETITION FOR EXTENSION

Now comes Illinois Central Railroad Company ("ICRR") and petitions the Illinois Commerce Commission (the "Commission") for an order giving IC an extension of time to comply with the mandates of the Commission in this docket. In support of its Petition, IC states as follows:

1. On March 8, 2006, the Commission issued an order ("Order") in the referenced docket, requiring the work described therein to be performed by ICRR at the referenced highway-rail grade crossings.

2. Specifically, the Order required ICRR to complete all work set forth in the Verified Petition entered among ICRR, State of Illinois Department of Transportation, Division of Highways, Norfolk Southern Railway, and the City of Springfield, including the installation of automatic flashing lights, signals and gates.

3. The Order stated the completion date for the work to be within eighteen (18) months after issuance of the Order.

4. Despite ICRR's good-faith efforts to complete the stated work by September 8, 2007, and due to a shortage of manpower account other ongoing projects,

DOCKETED

AUG 17 2007

ICRR's crews will be unable to complete all of the required work within eighteen (18) months of the date of the Order.

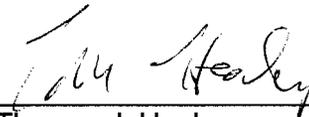

WHEREFORE, IC, respectfully requests that the Commission;

a) Extend until December 8, 2007, the time to complete the work stated in the Order; and

b) Provide such other and further relief as the Commission deems just and appropriate.

Dated this 15th day of August, 2007.
