0.10% GROSS REVENUE TAX

Section 36 (b) of "An Act Concerning Public Utilities," as amended, authorizes a utility to recover from its customers its liabilities to the State of Illinois for the Gross Revenue Tax imposed by Section 7a of "An Act Concerning Public Utilities," as amended. Pursuant to Section 36 (b), the Company will charge an Additional Charge for the Gross Revenue Tax equal to 0.10% of all billings under this rate schedule except for (a) this Additional Charge for the Gross Revenue- Tax, (b) the Additional Charge for any Municipal Utility Tax, and (c) any other billings and billing items excluded from the base of the Gross Revenue Tax.

RULES, REGULATIONS AND CONDITIONS OF SERVICE

Reference is hereby made to the Rules, Regulations and Conditions of Service of the Company, as stated in Section No. 1 of this document. The Schedule of Rates for Sewer Service and other charges should be read together with and is hereby made subject to said Rules, Regulations and Conditions of Service.

SEWAGE TREATMENT PLANT FUND

All applications for Customer sewer service connections shall be accompanied by a contribution as prescribed herein. The amount of the contribution will be equal to \$150.00 times the sewage treatment design population equivalent of the Customer making application for service. In the case of industrial and commercial Customers, the initial determination of population equivalent will be made by the Company based on information supplied by the prospective Customer relating to quantity and quality of waste to be treated. If, during the period of sewer service to such Customers, the population equivalent of the waste discharged by such Customers is found to be substantially (more than 10 %) different from originally contemplated, the contribution required herein will be recomputed based on the revised population equivalent and the difference between the original contribution and the recomputed contribution will be paid by the Customer if the recomputed contribution is higher or refunded by the Company if the recomputed contribution is lower.
