OTHER CONSULTING EXPERIENCE

Microsoft

I have consulted on a variety of different antitrust cases for Microsoft including U.S. Department of Justice remedies phase, Sun Microsystems v. Microsoft, Real Networks v. Microsoft and class action litigation in California, Arizona, Minnesota, Maryland and Iowa. (*Sullivan and Cromwell and Heller Ehrman*)

Bundling and Exclusive Dealing

I have consulted on a series of cases in which Johnson & Johnson has been accused of anticompetitive bundling of medical products (*Sidley, Austin and Weil, Gotshal*), Becton, Dickenson has been accused of anticompetitive exclusive dealing contracts for insulin syringes (*Paul, Weiss*) and News America Corp has been accused of bundling in-store promotions with free standing newspaper inserts (*Constantine, Cannon*).

Merger Analysis

I have consulted for the FTC in its investigation of the Whole Foods and Wild Oats merger and the DOJ in investigation of the proposed merger between Thomson and Reuters. I have also consulted on several merger cases analyzing retail scanner data to simulate the impact of a horizontal merger of consumer products firms, and I have worked on examining the competitive consequences of a vertical merger in the entertainment industry.

International Trade Policy

I have consulted for USS on sunset reviews of antidumping duties. (*Skadden, Arps*)

Class Action Defense Matters

I have consulted on a variety of different class action cases regarding employment discrimination, insurance payments (diminished value) and analysts' recommendations. I have also consulted on a case in which Toyota and other auto manufacturers have been accused of illegally conspiring to keep gray market cars from Canada out of the United States. (*Cleary, Gottlieb*). I have also consulted on price fixing cases in Sulphuric Acid (*Winston and Strawn*) and DRAM.

Patent Investigations

I have consulted on several patent cases involving medical devices for Johnson and Johnson (*Woodcock and Washburn and Sidley, Austin*) and for Microsoft (*Sidley, Austin*).

Health Care Consulting

I have conducted secondary research of epidemiological studies of heart disease and Alzheimer's disease, and I have conducted research estimating Medicaid expenditures across different population groups.
