Progress Report

Dear Sirs:

Regarding the order for Gates and Lights at the Taintor Road crossing, we have contacted two signal contractors and are awaiting detailed estimates from them. I will forward the estimates to you when we receive them. We are also waiting for the road plans from the developer so we can arrange with the Township the crossing work. If you have any questions please call 217-788-8652.

Very Truly Yours

Allan R. Johnson
Chief Engineer
