JOINT MOTION TO CORRECT PETITION

Illinois Bell Telephone Company (“AT&T Illinois”) and Midwestern Telecommunications, Inc. (“Midwestern”) hereby jointly move to correct the joint petition for approval filed in this docket, as described below:

1. The amendment at issue replaces the existing performance measures and remedies provisions in the parties’ agreement.

2. The petition seeking approval of the amendment, as originally filed, was potentially confusing because it referred to Midwestern as “Midwestern Telecommunications, Inc.”, rather than as “Midwestern Telecommunications, Incorporated” – its certificated name according to the Commission’s records.

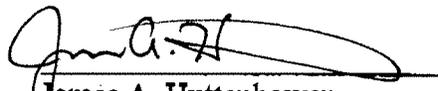

3. To avoid any confusion regarding the identity of the parties to the pending amendment, AT&T Illinois and Midwestern respectfully request that the caption of this docket and the petition be corrected to replace any reference to “Midwestern Telecommunications, Inc.” with “Midwestern Telecommunications, Incorporated.”

4. Accompanying this motion is a corrected copy of the petition that includes references to “Midwestern Telecommunications, Incorporated.”

WHEREFORE, AT&T Illinois and Midwestern request that the Commission allow the correction of the caption and the petition to identify the petitioners as "Illinois Bell Telephone Company (AT&T Illinois)" and "Midwestern Telecommunications, Incorporated."

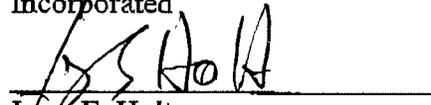

Respectfully submitted this 25th day of January 2008.

**JOINT PETITION FOR APPROVAL OF 6TH AMENDMENT TO THE
INTERCONNECTION AGREEMENT BETWEEN
Midwestern Telecommunications, Incorporated and AT&T Illinois**

Illinois Bell Telephone Company ("AT&T Illinois") and Midwestern Telecommunications, Incorporated ("CLEC") through counsel, hereby request that the Commission review and approve the attached 6th Amendment to the Interconnection Agreement dated January 16, 2008, pursuant to Sections 252(a)(1) and 252(e) of the Telecommunications Act of 1996, 47 U.S.C. §§ 252 (a)(1), 252(e), (the "Act"). In support of their request, the parties state as follows:

1. The Parties have agreed that the Interconnection Agreement be amended to provide for certain terms and conditions and have entered into this Amendment to set forth such terms and conditions.

2. Specifically, AT&T Illinois and Midwestern Telecommunications, Incorporated have participated in an industry-wide collaborative process conducted under the terms of the current Part 731 Wholesale Service Quality Plan, beginning in July 2006 and lasting for roughly 13 months. During that time many issues were identified and resolved. In the end, a new Remedy Plan and new Performance Measurements User Guide were agreed upon by the collaborative participants, and are being incorporated into the parties' Interconnection Agreement via this Amendment.

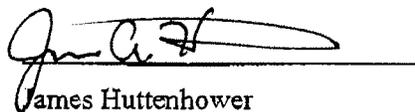

3. Pursuant to Section 252(e)(2) the Commission may only reject a negotiated agreement if it finds that (1) the agreement discriminates against another carrier or (2) implementation of the Agreement would not be consistent with the public interest, convenience and necessity. Neither basis for rejection is present here.

4. Copies of the 6th Amendment are available for public inspection in AT&T Illinois and Midwestern Telecommunications, Incorporated's public offices.

WHEREFORE, AT&T Illinois and Midwestern Telecommunications, Incorporated respectfully request that the Commission approve the attached 6th Amendment to the Interconnection Agreement under Section 252(e) of the Act as expeditiously as possible.

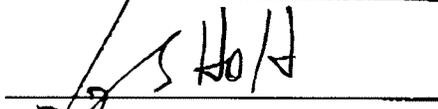

Respectfully submitted this 25th day of January, 2008.
