²Project Manager Information to be submitted by Roadway Authority and Railroad Company

DESCRIPTION OF IMPROVEMENT(S) ORDERED:

- I&M RR – Installation of automatic flashing light signals and gates, CWT
- SPRINGFIELD TWP – Installation of a new crossing surface and approaches to comply with 92 Illinois Administrative Code, Part 1535.204

STATUS OF WORK:

The Petition in 2006 indicated to the Commission that the Developer (LFH, LLC) had sold 40 homes but needed to sell 69 lots before the second subdivision entrance across the Taintor Road Railroad Crossing was required pursuant to the Springfield Subdivision Ordinance. In 2007, Developer only sold an additional 5 lots. It will be 2009 or 2010 before 69 lots are sold, especially in the present economy.
