Re: Functional Separation Compliance Plan
Docket No. 05-0017

Dear Ms. Rolando:

Pursuant to Section 7-210 of the Illinois Public Utilities Act, 220 ILCS 5/1 et seq., and the requirements set forth in the Illinois Commerce Commission Order in Docket No. 05-0017 issued April 26, 2005 adopting provisions regarding gas functional separation, specifically Section 552.140; enclosed is MidAmerican Energy Company's informational filing regarding its unregulated sales of natural gas in the State for the immediately preceding calendar year ending on December 31, 2007.

Also pursuant to Section 552.140(d), all reports and contracts filed with the Commission pursuant to this subsection have been marked and shall be treated as confidential by the Commission.

Enclosed with this letter please find the original of this report, which includes the monthly amount of natural gas sold in therms and the monthly revenue to the gas utility for natural gas supply by customer in a combined report and contracts for unregulated sales of natural gas in Illinois. The enclosed notebook provides a reference copy of each contract version that was utilized during the reporting period. The two spreadsheets entitled active and terminated Illinois gas accounts show the contract version that was utilized for each customer. A CD housing the spreadsheets is also provided for your reference. Please file stamp the enclosed extra copy of this letter, the Excel spreadsheets and the contracts and return same by using the return mail materials provided.

If you have any questions or need additional information to complete this filing, please contact me at 515-281-2782.

Sincerely,

Carla S. Meiners
