Subject: Hagerstown/Vandalia, in Fayette County, IL, Installation of Flashing Lights and Gates at the Township Road 152 highway-rail grade crossing of the CSXT track located near Vandalia, AAR/DOT 546 499R, MP QS-175.65, CSXT OP# IL0165, ICC Docket # T05-0033

Dear Mr. Lazarides:

Pursuant to my conversation with Mr. John Blair of the Illinois Commerce Commission I am writing to advise that CSXT requests an extension of 30 days until March 31, 2008 to complete the cut in of the subject project which will allow CSXT to put the project in service. Our forces performing work on this project have also been involved in some emergency pole line work which is nearing conclusion. The installation at Township Road 152 has been completed; however, we still need to perform the signal cut in work to enable us to put the crossing in service. That work will take place within the next three weeks. CSXT therefore requests an extension of 30 days to complete this project.

Thank you very much for your consideration in this matter.

Sincerely,

Hal A. Gibson, Jr.
